ABOUT INDORE

Indore was ruled by the Holkars from 1728, when the region was granted to them by Bajirao Peshwa. Indore is now an important commercial centre of Madhya Pradesh and also declared as No.1 city in Swachh Bharat Abhiyan. It boasts of well developed industrial areas like Dewas and Pithampur where major industrial houses have production facilities. Indore has many advanced educational centres of computer, management and various other faculties.

ABOUT CHAMELI DEVI GROUP OF INSTITUTIONS

Agarwal Group laid the foundation of CDGI in 2006 when there was a need to have a high class technical institute that is committed towards technological excellence. The ideology behind setting up CDGI was to create technocrats that would add value to society by their innovations and creations. Spread over a land of 15 acres, the campus of CDGI signifies poise and grandeur. During the past decade CDGI has earned a reputation that stands tall and high amidst major technical institutes in Madhya Pradesh.

ABOUT CHAMELI DEVI INSTITUTE OF PROFESSIONAL STUDIES

Continuing the legacy of CDGI, MBA (FT) Program was launched in 2008 and Chameli Devi Institute of Professional Studies (CDIPS) was established in the year 2014 to sphere head quality education at Post Graduate and Under Graduate level by offering courses like M.B.A., B.B.A., B.Sc. (Computer Science) and B.Com (Computer Application). The Institution provides a platform to students to build their career and develop themselves in the field of Management, Science and Commerce.

ABOUT THE CONFERENCE

Sustainable development calls for concerted efforts towards building an inclusive, sustainable and resilient future for people and the planet. The situation appears to be unsustainable. In order to create a better and sustainable future, Governments, Corporate academicians and NGOs will need to work collectively and playing their respective roles most effectively. The conference aims at finding ways to increase prosperity and improve the quality of life while reducing overall pollution and waste.

CHIEF ADVISOR

Dr. (Mrs) Janak Palta McGilligan, Director, Jimmy McGilligan Centre for Sustainable Development is associated with the conference as Chief Advisor. A Padmashree awardee she is a prominent Social Worker, Social Scientist and committed to Sustainable Development. Over the years she has contributed immensely nationally and internationally for making the society aware about sustainable development.

WHO SHOULD ATTEND THE CONFERENCE

The conference is open for academicians, Management Practitioners, Consultants, Policy makers, Entrepreneurs, Ph.D. Scholars and Management Students from all over the country and overseas. They may contribute their research paper/articles on any of the sub themes or related issues. However they may also enrich the conference by participating as delegates and giving their valuable inputs during the deliberations.
