About E Cell CDGI

I-FAME (Innovation @ Fulcrum of Ability Motivation and Energy) is the innovative Entrepreneurship Cell of CDGI. The Cell is professionally managed by a perfect blend of Engineering and Management students. E Leaders are delegated with responsibilities for the smooth conduction of events and activities under the banner of the cell.

The advisory board of E-Cell comprises of well-known entrepreneurs from all over the country. The high profile advisory board members guide the students from time-to-time to nurture entrepreneurial instinct in the students. It could be mentoring or venture funding; the E-cell is there to offer valuable advice on all aspects of entrepreneurship.

Objectives of e-Cell

- To create an environment for self-employment and entrepreneurship development through teaching and training programmes
- To introduce the concept of entrepreneurship through outreach programs at grassroots
- To develop management personnel at appropriate levels for the non-corporate and unorganized sectors like retail, rural development, small-scale industry etc
- To promote employment opportunities through skill development

About the Competition- SMALL TOWN- BIG CROWN

The competition is a B-Plan competition among youth of the schools and colleges in Indore and around. The competition focuses to draw attention of youth towards rural India and its potential. We truly believe that there is immense potential in the rural world which must be discovered by young brains of the nation.

Identifying the opportunities in the problem is the key source to Entrepreneurship. The competition will help the students to ideate and innovate and see business opportunities in the problems faced at the core level.

Developing a viable solution with feasibility analysis will help them understand the nitty gritty of the execution of a business plan. The ideas shortlisted based on the refined judgement will surely help the talent in rural region to seek opportunity and growth in the hometown.

Objectives of the Competition:

- To unleash potential in rural sector
- To ideate and innovate
- To identify and develop opportunities in suburban and rural part of state

We expect students to explore the region and develop the plan to present to jury members in a prescribed format.
