“In the confined spaces of a hostel, you find the boundless universe of friendships.”

No matter where life takes us, the hostel memories will always be cherished.

The institute ensures an overall development of students by focusing their physical, educational and moral wellness and Living in a hostel imparts valuable lessons, from managing work to accepting self-responsibility. Hostels teach you to be flexible and adaptable. You may have to adjust to different personalities, cultures, and schedules. You learn to be open-minded and accepting.

One of the most common benefits of living in hostels is that students do not have to waste time and energy in travelling all the way to their Institute. They can instead use this time to indulge in something productive such as morning yoga sessions, reading classes or sports. This gives students a sense of responsibility, independence, and self-care. Unity and Spirituality: A Joyous Ganesh Chaturthi Celebration in Our Hostel

HIMANSHU PARIHAR, 3RD YEAR (IT)

GANESH CHATURTHI WAS CELEBRATED WITH GREAT FERVOR AND UNITY IN OUR HOSTEL PREMISES. THE MANAGEMENT PROVIDED EXCEPTIONAL SUPPORT, EVEN GRANTING US FUNDS TO ORGANIZE THE 10-DAY PROGRAM IN RECORD TIME OF JUST ONE AND A HALF DAYS. EVERYONE CAME TOGETHER, CONTRIBUTING THEIR BEST EFFORTS FROM SHOPPING TO DECORATIONS. THE EXCITEMENT REACHED ITS PEAK ON GANESH STHAPNA, AS WE WELCOMED OUR BELOVED LORD GANESHA AMIDST CHEERS AND JOY. THROUGHOUT THE TEN DAYS, WE WORSHIPPED OUR DEITY TWICE DAILY, AND EACH DAY, DIFFERENT FACULTY MEMBERS AND HOSTELMATES OFFERED DELICIOUS PRASHAD FOR GANESHA.

THE EVENINGS WERE FILLED WITH DELIGHTFUL ACTIVITIES SUCH AS GAMES, DANCING, AND SINGING IN THE BEAUTIFULLY DECORATED PANDAL. AS THE FESTIVAL APPROACHED ITS END, THE TIME CAME TO BID FAREWELL TO LORD GANESHA, CHANTING "GANPATI BAPPA MORYA, AGLE BARAS TU JALDI AA..." THE ATMOSPHERE TURNED SOMBER DURING THE VISARJAN (IMMERSION) CEREMONY, AS WE SAID OUR GOODBYES. HOWEVER, THE TEN-DAY CELEBRATION LEFT US WITH CHERISHED MEMORIES, A SENSE OF SPIRITUALITY, AND AN ABUNDANCE OF POSITIVITY. WE PRAYED TO LORD GANESHA FOR A BRIGHTER FUTURE AND THE WELL-BEING OF EVERYONE.

THE KHAJRANA GANESH TEMPLE

LOKESH CHANDRA DONGRE
B.TECH CSE 3 YEAR

In the vibrant city of Indore, amidst the festive fervor of Ganesh Chaturthi, we embarked on a spiritual journey to the sacred Khajrana Temple. As the air resonated with the chanting of hymns and the sweet aroma of incense, we were welcomed into a realm of devotion and timeless traditions.

Located in the heart of Indore, the Khajrana Temple is renowned for its revered idol of Lord Ganesha. During Ganesh Chaturthi, the temple wears an enchanting aura, adorned with colorful decorations and flickering lamps that illuminate the path of the faithful.

Stepping inside, we were humbled by the devotion displayed by the devotees, offering prayers and seeking blessings from the elephant-headed deity. The atmosphere brimmed with joy and spirituality, as the rhythmic beat of drums and the melodious bhajans filled our hearts with tranquility.

Our visit to the Khajrana Temple during Ganesh Chaturthi left an indelible impression, reminding us of the significance of devotion, culture, and the joy of coming together as one community to celebrate the divine essence of Lord Ganesha.

BHAWARKUA: A HOSTELLER'S HAVEN

Tantya Bheel Chouraha, previously Bhawarkua Chouraha, serves as a bustling hub for food, stationery, and MP Online services. We often visit its peaceful temple for spiritual solace. The locale caters to our academic needs, offering form-filling services and document printing. A haven for hostel dwellers, it's an epicenter of delectable cuisine, providing an enjoyable retreat with friends.

HOSTEL GIRLS' ANOTHER DAY OUT:

A delightful excursion to C21 and Malhar Mall left us ecstatic. Exploring diverse shops, we indulged in satisfying purchases. The food court at C21 delighted our taste buds with scrumptious treats like pizza. Adjacent, Malhar Mall housed renowned brands such as Max and Puma, where we savored ice cream while admiring the stunning stores. An amazing experience that lingers in our memories

Unveiling Phoenix Citadel: A grand tour of Central India's largest mall, freshly opened, sparked our excitement. Brimming with aesthetically pleasing shops, the mall offered a range of items, despite a somewhat high-end price tag. A visit to food court satiated our palates, while explorations in Zudio, Pantaloons, Max, and more stirred the shoppers within. Come evening, the entrance's enchanting fountains amplified the mall's allure, creating an unforgettable spectacle. The visit to Phoenix Citadel left us with indelible memories.

YOGATHON...

On 21st June, International Yoga Day was joyfully celebrated by our hostel, joining the grand event organized by the Agrawal Group. With both boys and girls participating, we engaged in invigorating yoga and exercise sessions. The experience left us immensely grateful, as it marked one of the most memorable and significant gatherings we've ever witnessed.

INDORE'S MARATHONS

Our hostel mates participated enthusiastically in various marathons across Indore, including the Britannia Indore Rainathon, Coal India Indore Marathon, Malwa Marathon, Ahimsa Run for Peace and Non-Violence, and Forest Mud Hill Run. In some of the marathon we ran as participants, while in other marathon we volunteered and managed the events. The lead of the marathon from the college side was given to a hostel student. Early mornings saw us boarding the college bus to reach the marathon locations. We relished the experience, taking part in dance and Zumba activities and enjoying breakfast offered by the organizers, and we felt proud to receive medals and certificates for our performance. As volunteers, we lent a helping hand to the event organizers, motivating and cheering on the participants.

It was an incredible and memorable time for all of us.

Dominating Victory for Hostellers at Khelo India Youth Games - A Triumph of College Spirit

IN A RESOUNDING DISPLAY OF TALENT AND CAMARADERIE, THE HOSTELLERS OF OUR COLLEGE SHONE BRIGHTLY AT THE KHELO INDIA YOUTH GAMES. THE ONE-DAY SPORTS EVENT WITNESSED THRILLING COMPETITIONS IN VOLLEYBALL, KABADDI, FOOTBALL, AND KHO KHO. WHAT MADE THE DAY TRULY EXCEPTIONAL WAS THE FORMATION OF DIFFERENT HOSTELLER TEAMS THAT COMPETED FIERCELY AGAINST EACH OTHER.

WITH AN INDOMITABLE SPIRIT AND EXCEPTIONAL TEAMWORK, THE HOSTELLERS EMERGED VICTORIOUS IN EVERY SPORT, CLAIMING THE TOP POSITION IN EACH CATEGORY. THEIR CONSISTENT EXCELLENCE AND UNWAVERING DETERMINATION WERE MET WITH WELL-DESERVED APPLAUSE AND APPRECIATION. THIS TRIUMPH NOT ONLY SHOWCASED THEIR SPORTING PROWESS BUT ALSO HIGHLIGHTED THE STRONG BOND AMONG THE STUDENTS. KITE FEST

ON THE OCCASION OF MAKAR SANKRANTI, A WAVE OF VIBRANT COLORS AND HIGH SPIRITS SWEEPED ACROSS THE HOSTEL CAMPUS AS STUDENTS CAME TOGETHER FOR A MEMORABLE KITE-FLYING FESTIVAL. THE CAMPUS GROUNDS ECHOED WITH THE SOUNDS OF LAUGHTER, ENERGETIC SHOUTS OF "KAI PO CHE", AND TRADITIONAL KITE FESTIVAL SONGS THAT PLAYED FROM A SPEAKER WITH THE FACULTY'S CONSENT.

EVERY HOSTEL DWELLER ARMED THEMSELVES WITH A PLETHORA OF COLORFUL KITES AND SPOOLS OF THREAD. THEIR FACES GLOWING WITH EXCITEMENT AND ANTICIPATION. THE EVENT HAD A UNIQUE TWIST - EACH KITE WAS MANNED NOT BY ONE, BUT TWO HOSTELLERS, TRANSFORMING AN OTHERWISE SOLITARY ACTIVITY INTO A DISPLAY OF TEAM SPIRIT AND CAMARADERIE.

THE SKY TURNED INTO AN ARENA OF PLAYFUL WARFARE AS KITES, MANEUVERED BY EXPERT HANDS, SOARED AND SWOOPED, BATTLING EACH OTHER. THE AIR WAS FILLED WITH COMPETITIVE ENERGY, THE KITE-FLYERS' EYES NEVER LEAVING THEIR AIRBORNE CHALLENGERS. CHEERS FILLED THE AIR AS ONE KITE CUT ANOTHER MID-AIR AND THE TRIUMPHANT SHOUT OF "KAI PO CHE" - A GUJARATI PHRASE MEANING "I HAVE CUT" - SIGNIFIED VICTORY DANCE-OFFS TO DJ-SPUN MUSIC, AND A NOSTALGIC ROUND OF 'GULLY DANDA' UNDER A PICTURESQUE SUNSET, CEMENTING ENDURING CAMARADERIE.

Heartfulness Camp

"Discover purity and simplicity, adopt positivity, and let your life be led through your heart."

The Heartfulness institute offers specialized program and retreats, which teaches heart-based meditation with yogic transmission.

All the students of CDGI visit the Heartfulness Camp Indore, hostellers were also a part of it. On the way to camp all of us were very excited because a distinct experience was about to come this time.

As we reached there, first they showed us a video clip of "दाजी के साथ ध्यान". In which they completely explained about what and how this camp works.

We did yoga and meditation there. They also taught us different ways to calm and control our mind. They also taught us that for a healthy heart we should have a healthy mind.

After that there was arrangement of some snacks(Chhole Bhature) for us, which was delicious. Then we all went to fly kites. Sky was full of those colorful kites, which made our visit more memorable.

At last we all clicked pictures in groups, to keep this memories with us. Then they all had tea and said a goodbye to the place with a smile. It was an unforgettable experience for all of us.

HOSTEL PREMIER LEAGUE 2023 WHERE SPORTSMANSHIP PREVAILS

By Himanshu Parihar
Photographs by Rahul Kapil

The Hostel Premier League (HPL) 2K23, an annual sports extravaganza exclusively for hostel residents, took place with great zeal and enthusiasm. It was a spectacular event that surpassed all previous editions in terms of excitement and participation. The HPL, distinct from college sports, brought together hostellers from different backgrounds to showcase their athletic talents and foster a strong sense of unity. This year, due to the lower number of participants, the teams were limited to three: Jaguar, Mirage, and Sukhoi. The captains of these teams, Harsh Gupta, Ayan Sheikh, and Abhishek Patel, respectively, led their squads with passion and determination. Assisting them were vice-captains Himanshu Parihar, Tushar Kala, and Niranjana Mawra.

An extraordinary opening ceremony set the tone for the sporting spectacle, reminiscent of the grandeur of the Olympic Games. The HPL featured a diverse array of eleven sports, both indoor and outdoor, including Cricket, Football, Volleyball, Badminton, Kabaddi, Chess, Carrom, Table Tennis, Tug of War, Athlete Run, and even the popular mobile game, PUBG.

Each team competed fiercely in every sport, vying for victory and accumulating points to determine the overall winner.

Team Jaguar emerged triumphant, displaying exceptional skill and teamwork. Team Mirage secured the runner-up position, showcasing their tenacity and resilience. Team Sukhoi may not have clinched the top spot, but their spirited efforts were commendable, winning the hearts of many.

One noteworthy aspect of the HPL 2K23 was the inclusion of female participants, with teams named after the fighter jets, just like their male counterparts. This step towards inclusivity and gender equality added a new layer of excitement and vigor to the tournament.

The competitive spirit during the matches was complemented by the spirit of camaraderie and sportsmanship displayed after each game. Hostellers from all teams came together, rejoicing in the joy of sports and celebrating the spirit of the event. Dancing to the beats of the DJ, regardless of the match's outcome, brought everyone closer, fostering a sense of unity and togetherness.

Mr. Jamil Khan, the Sports Officer, played a crucial role in ensuring the success of the event. His unwavering support and dedication to the HPL made it an unforgettable experience for all participants.

The closing ceremony was a fitting finale to this thrilling sports meet. The winners were honored with well-deserved prizes and medals, acknowledging their hard work and excellence. The DJ added a jubilant vibe, and the delicious food made it a complete celebration.

HPL 2K23 was more than just a sports tournament; it was an opportunity for hostel students to forge lasting bonds, showcase their talents, and revel in the joy of friendly competition. The memories of this grand event will undoubtedly be cherished by all, motivating them to make HPL an even greater success in the years to come.

At Hanuman's Feet: A Journey to Pitraparvat

EMBARKING ON A MEMORABLE TOUR OF PITRA PARVAT IN INDORE, WE WERE DRAWN TO THE MAJESTIC STATUE OF LORD HANUMAN JI.

THE GLORY OF THE STATUE LEFT US IN AWE, AND WE CAPTURED NUMEROUS PHOTOS TO FOREVER PRESERVE THE BEAUTIFUL MOMENT.

THE WEATHER WAS NICE WITH CLOUDY SKY AND COOL BREEZES OF AIR. IN ORDER TO ENJOY THE MOMENT, WE ENJOYED GLASSES OF LASSI, BUT SUDDENLY RAINDROPS BEGAN TO FALL.

LAUGHING AND GETTING DRENCHED IN RAIN, WE RUSHED TO OUR BUS, BIDDING FAREWELL TO PITRA PARVAT, OUR HEARTS FILLED WITH CHERISHED MEMORIES.

FIRST EID AWAY FROM HOME: A HOSTEL STORY

There is a legit phrase that 'Students enter the hostel as strangers but leave with a beautiful family embarked by tremendous memories'. The hostel girls have adequated that in real by celebrating every festival with immense love and fun, likewise they have celebrated Eid in hostel itself.

All the hostel girls dressed up for the celebration , took pictures together and wished each other a happy eid but the best was about to come as they planned a scrumptious treat for everyone. The speciality of eid can't be ignored and that is the sheer khurma, with a full heart it was made and they all had it happily.

An unexpected surprise for one that was so overwhelming that made her emotional ,a never forgetting moment and that was this envelope with a blessing entitled on it. Eid is incomplete without a treat and hostel girls left no chance to make it incomplete. This day will always be a reminiscence for all girls

Funfair

It was a normal ordinary day for all of us. Then we all decide to visit the fair which was in Lal Bagh Indore. In the evening we all reached to the fair area. First we all went for shopping and bought many items like clothing ,footwear and accessories and more.

We ate pizza, sandwiches and candyfloss that made us remind of our childhood days. Then went for different swing rides. That was the best and most enjoyable part of our day. Those rides were so joyous and reliving, that relaxed us from whole tiredness of the day. Our visit end up by eating pani puri and ice-cream. It was the evening which we thoroughly enjoyed .

It was not just a culinary delight with various food stalls but also featured clothing, gifting items, and several selfie points. Transportation was provided by our college. The carnival was full of energy with people relishing diverse food items from various Indore brands. Post feasting, we explored the clothing section, particularly enjoying the woolens. The event concluded with a vibrant concert, leaving us with joyous and unforgettable memories

NAKHRALI DHANI

Nakhrali Dhani, a fascinating place in Indore, where students experienced Rajasthan's colorful culture. They are warmly welcomed and taken on a tour to learn about Rajasthan's history and traditions. They enjoy watching traditional dances, puppet shows, and riding camels. The students get to taste delicious Rajasthani food like dal bati churma and gatte ki sabzi, along with refreshing lassi. Hostel life, what a thrill, With exams looming, oh what a drill.
Books scattered, notes all around, Mugging up equations, feeling quite unsound.

"Yaar, let's study!" we all proclaim, But Netflix and memes are our real aim.
Books open, but attention astray, WhatsApp pings stealing our focus away.

Roommate's snoring like a bear, In the midst of chaos, I pull my hair.
Caffeine flowing, eyes wide like an owl, Trying to understand this complex prowl.
Books become pillows, notes become hats, As we dream of passing, and that's a fact.
The textbook's heavy, eyelids even more, In this battle of wills, we wage a silent war.

Midnight hunger strikes, Maggi on the stove, Who knew that instant noodles could
be treasure trove?
But oh, the fire alarm starts to blare, And there goes our culinary affair.

Google becomes our last-minute guru, As we desperately search for what's even
remotely true.
Bunking lectures for those extra minutes, But end up attending snooze-fest
seminars in bits.

Friends gather around, stress levels on the rise, Sharing jokes and laughter, to
pacify our sighs.
"Yeh chapter chhod, woh chapter chhod," they say, As we create our own 'selective
study' buffet.

Exam day dawns, hearts racing fast, Praying to the gods that our efforts last.
Hall tickets and ID cards in hand, Off we go to the exam land.

Scribbling answers like our lives depend, Praying the bell would soon descend.
Time's up, but did we really know? Or did we just fake it and let it go?

Back in the hostel, results appear, Nervously checking, holding our beer.
Some pass, some fail, but in the end, We realize it's the memories that truly mend.

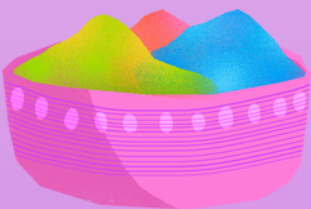

So here's to hostel life, exams and all, The late-night studies and the classroom
brawl.

With friends by our side, we survived the test, In this crazy journey, we've been
truly blessed!

IN A VIBRANT BURST OF JOY AND CAMARADERIE, THE HOSTEL STUDENTS OF OUR COLLEGE CAME TOGETHER ON THE 12TH OF MARCH TO CELEBRATE HOLI, THE FESTIVAL OF COLORS. WE HAD A JOYFUL TIME PLAYING HOLI ON THE OCCASION OF RANGPANCHMI. IT HAPPENED ON OUR COLLEGE CAMPUS, ORGANIZED BY THE BOYS RESIDING IN THE HOSTEL. INITIALLY, IT WAS JUST ANOTHER ORDINARY DAY, BUT THEN SOMEONE AMONG US BROUGHT COLORS AND STARTED APPLYING THEM ON OTHERS. SOON, EVERYONE JOINED IN THE FUN, PLAYING HOLI WITH MUSIC AND DANCING. WE WERE ALL HAVING A GREAT TIME. EVEN SOME OF OUR FACULTY MEMBERS AND THE HOSTEL WARDEN JOINED IN AND PLAYED HOLI WITH US. WE RELISHED DELICIOUS SWEETS CALLED GUNJIYA AND HAD REFRESHING THANDAI, ADDING TO THE ENJOYMENT. THIS HOLI CELEBRATION BROUGHT US CLOSER, REMINDING US OF THE POWER OF FRIENDSHIP AND THE SHEER JOY OF LETTING GO AND EMBRACING THE SPIRIT OF UNITY.

ENCOUNTER WITH SENIORS

IN OUR INITIAL INTERACTIONS WITH SENIORS, NERVOUSNESS AND HESITATION WERE OUR COMPANIONS. YET, AS TIME UNFOLDED, WE DISCOVERED THE WARMTH OF THEIR FRIENDLY NATURE AND KIND HEARTS. THEIR UNWAVERING SUPPORT AND GUIDANCE PROVED INVALUABLE, ESPECIALLY DURING CHALLENGING TIMES. JUST LIKE ELDER SIBLINGS, THEY STOOD BY US, OFFERING A HELPING HAND WHENEVER NEEDED. SOMETIMES, THEIR FIRMNESS EMERGED TO CORRECT OUR WAYS AND INSTILL PROPER CONDUCT. OUR SENIORS ARE LIKE OUR MENTORS, MAKING OUR HOSTEL LIFE EASIER AND HAPPIER. OUR SENIORS NOT ONLY IMPARTED WISDOM BUT ALSO SHARED PRECIOUS LIFE LESSONS, SHAPING US INTO BETTER INDIVIDUALS."

BIRTHDAY

CELEBRATION

Birthdays are special occasions that are celebrated with great joy and excitement in the hostel. The birthday celebrations in the hostel are a grand affair, with everyone coming together to make the day memorable for the birthday person. Hostellers never miss a chance to make someone feel special and when it's their birthday then there's no chance to be as calm as millpond. Showing pure emotions with the affection that they have bounded in the precise time of their life, creating memories by enjoying every moment with gratification in their small little family called 'hostel'.

NATIONAL FESTIVAL

NANDITA PATEL

In our college, during national festivals, hostellers play a crucial role. Since there's a national holiday, regular students don't come to college.

So, all the event preparations, from creating rangoli to organizing parades and delivering speeches, are handled by the hostel residents. They ensure the celebrations continue with spirit and enthusiasm and showing our duty towards nation.

UNTIL WE MEET AGAIN, A NIGHT TO REMEMBER

A FAREWELL WAS ORGANISED BY THE AUTHORITIES OF THE HOSTEL AND OF COURSE THE HOSTELLERS. IT STARTED WITH THE INTRODUCTION OF EACH HOSTELLER FOR WHOM FAREWELL WAS ORGANISED, THEY ALL SHARED HOW THIS HOSTEL HAS BEEN THE FOREMOST AND MEMORABLE PART OF THEIR LIFE AND LEAVING HOSTEL HAS BEEN A BITE THE BULLET MOMENT FOR THEM. THEN TO UPLIFT THE JOY A RAMPWALK WAS ORGANISED AND THEN ALL HOSTELLERS SANG, DANCED AND READ POETRY FOR ALL, ALSO THE CAPTIVATING PART WAS THE GAMES PLAYED BY THEM. THE AUTHORITY OF THE HOSTEL ALSO ARRANGED AN OVERABUNDANCE DINNER FOR HOSTELLERS WHICH WAS A DELIGHTFUL TREAT FOR ALL. THE FINAL GOODBYES ARE ALWAYS TOUGH BUT STILL HOSTELLERS MADE IT A MEMORABLE MOMENT. AT THE END OF THE FAREWELL THEY WERE GIVEN GIFTS WHICH THEY WILL ALWAYS CARRY AS THE LAST AND SALIENT PART OF THEIR HOSTEL JOURNEY. WITH ALL WISHES THEY LEFT AND HOSTEL WILL BE ALWAYS GRATEFUL TO HAVE THEM AS THEIR FAMILY.

RANGOLI

ANY INDIAN FESTIVAL IS INCOMPLETE WITHOUT COLORS, BE IT THE FESTIVAL OF COLORS, HOLI, GANESH CHATURTHI, AND DURGA ASHTAMI, OR DIWALI. COLORS ARE DEFINITELY USED BY INDIANS IN ALL FESTIVALS. THE ART OF RANGOLI IS A STOREHOUSE OF SYMBOLS. BEGINNING WITH THE AUSPICIOUS DOT, THE SYMBOLS GO TO EXPAND TO FORM A LINE, AND THE BASIC GEOMETRICAL SHAPES LIKE THE CIRCLE, TRIANGLE, SQUARE AND SO ON, EACH HAVING ITS OWN SIGNIFICANCE. THE SYMBOLIC VALUE REPRESENTS THE BASIC ENERGIES OF THE UNIVERSE.

GAREEMA AGRAWAL

It is such a great experience in cdgi hostel as I have spend one phase of life there. It's home away home, there your juniors and batchmates becomes your family no matter what the situation is they stood by your side. it's a place where we broke so many rules just like last night celebrations, disturbing everyone and many more. Having the best juniors with whom I enjoyed . From discussing with warden mam who treated us like her child to watching horror movies with juniors just because they are afraid of it and battling late night cravings. It's such a great experience and if I got a chance to relive this phase I won't think for a sec just pack my bags and come to our room and placed at kpit with 4.5 lpa

HARSH GUPTA

I don't know when my four years have passed. Staying in a hostel away from home has given a new experience. Staying with friends, studying, having fun can never be forgotten. The bonding with the juniors was like having younger brothers and we all stayed together so much that we did not feel like leaving the hostel. I have many memories there which I can never forget and it was a very chill college life and everyone has to go one day. i placed at civica uk at vadodra with 4 lpa

RASHI BHATNAGAR

It's such a Rollercoaster ride for me.
As I began my hostel life, I took a few weeks to set myself emotionally and adjust to the new environment just as every new student at the hostel does. However, I soon got accustomed to the new place and made quite a few friends. I had been quite shy and reserved before I entered the hostel four year back. However, the hostel life has turned me into a bold and confident person. I can now deal with difficult situations with ease. I do not panic or get emotional easily. I have emerged as a strong person. This may be because living in a hostel teaches us to live independently and we are bound to take charge of our life. As excited as I am to visit my home, I am equally excited to get back to the hostel as the vacation comes to end. I look forward to meeting my friends and living my life over in that small hostel room. As I complete my 4 years there. Hostel teach me soo many things. As I placed in MNC company KPIT Technologies, Pune
At last I would like to say That Enjoy Your Hostel life and make memories for your entire Life

AYAN SHEIKH

Hostel life is regular and helpful to study and health. Hostel is a place where student is given a proper environment for all round development while living there. Your phone will be full of photos of your friends doing stupid stuff and you will wait patiently to unleash them on their birthdays. These days won't come again, so if you can enjoy every moment. Go and hang out with friends, study a lot and also take care of your health. Birthday celebrations. Everyone has their slippers ready. Bro tries to be calm. Everyone is silently waiting for the clock to strike 12. Next day, they are reprimanded by the Hostel Warden for being too rowdy. There are many more memories in hostel life and I'm preparing for the gate entrance exam.

YASH GHETE

Hostel life is an important part of a student's life. It's something every student should experience once in his/her college days. I had a lot of fun in those 4 years and made lifelong friends and also our juniors were also quite supportive and enthusiastic in every activities. We took part in different hostel related activities which helped us improve both physically and mentally. Numerous positive life lessons are taught to you while living in a dorm, including teamwork, compassion, sacrifice, and solidarity. Opportunities and excitement abound in the dorm environment. Making friends with fellow guests of various cultures and educational backgrounds can be advantageous for academic success pursuing M.Tech in structural engineering from VNIT Nagpur.

ABHISHEK PATEL

Abhishek Patel: Reflecting on the extraordinary four years of hostel life with my incredible group of 2023 batch and juniors, those memories feel like a distant adventure now that I've embraced the role of Technical Consultant at HGS Company, three months after graduating from CDGI College. We transformed our college days into a whirlwind of inspiration and fun. Whether it was our thrilling outings, pushing our limits in marathons, conquering challenging treks, or those unforgettable moments of group dancing in our room at 2 am, we shared a bond that defied explanation. From late-night cramming sessions for exams in a single room with friends to countless other indescribable memories, our hostel life was a symphony of laughter, friendship, and personal growth. These memories continue to be the cornerstone of my journey, reminding me of the resilience and camaraderie that have propelled me into my current role. Looking back, I'm grateful for the foundation these extraordinary years laid, helping me navigate my path to success in the professional world. I'm placed at HGS (Hinduja Global Solution) with 6 LPA at Hyderabad.
