

## Rajiv Gandhi Proudyogiki Vishwavidyalaya Bhopal

Accredited with 'A' grade by NAAC

Rajiv Gandhi Proudyogiki Vishwavidyalaya (RGPV), accredited with 'A' grade by NAAC, established in the year 1998 is truly a picture of modernization offering learner-centric programmes in Engineering, Pharmacy, Architecture & Management. University is sprawled over a vast campus of 241.4 acres, marching towards development into a center of excellence in the arena of Technical Education, Research and Innovations.

Under its umbrella there are 05 UTD's, 188 affiliated Engineering Colleges, 69 Pharmacy Colleges, 25 MCA Colleges and 05 Architecture colleges imparting Graduate level instructions running 23 under graduate level courses & 84 post graduate level courses. Situated amidst an aesthetic and hilly surrounding, the University is also offering Ph.D. in eight faculties.

RGPV has been selected by Ministry of Human Resource Development (MHRD) as one of the Affiliating Technical Universities (ATUs) among ten across the country for receiving TEQIP-III grant. The main objective of Faculty Development Programme (FDP) is to improve quality and equity in engineering teachers in order to up-grade the knowledge, enhancing research and teaching skills.

## About CDGI

Baptized in an endearing spirit, **Chameli Devi Group of Institutions** took its first step in July 2006 with a vision to design future scientifically. Within a short span of 12 years the Institute has attained a strong footing amongst all the technical colleges of Madhya Pradesh. It is affiliated to RGPV, Bhopal and approved by AICTE, New Delhi. CDGI offers UG courses in five streams and Master's degree programme in Business Administration.

## About CS & E Department

The department has a team of highly qualified faculty and technical staff which consistently explores new dimensions in the field of technology. All faculty members have completed ME/M.Tech degree and are pursuing research in their respective areas. The Computer Science & Engineering as well as Information Technology Department aims to provide a strong foundation for quality education and research development. The academic affiliations with various industries and reputed institutions such as Zensar Technologies, Microsoft Training Center, Aakash Development Center IIT-B and SacRobotix helps our students to prepare themselves as per industry demand.
