# Our Guiding Spirits

## **Late Shri Ramkumar Agarwal (1918- 1995)**

Born and brought up in a highly cultured Zamindar family from Sanghi Kharwali, Haryana, Shri Ramkumar ji Agarwal built up an ethics based business empire. He always had an inclination to work towards the betterment of society. Being a prudent father, he played a pivotal role in shaping the destiny of his children in spite of his busy schedule.

## **Late Smt. Chameli Devi Agarwal (1929 – 2002)**

Smt. Chameli Devi ji, extended full support in this endeavor, by being the soul of the family. Coming from a traditional pious family she had enormous belief in total commitment, dedication and hard work, and the same was inculcated in their children. They inspired everyone by their virtues of selfless and constructive work. Together, they wonderfully imbibed in their children the great qualities of serving the needy and being aware about their contribution to society, which are recognized as the hallmarks of Agarwal Group.

## Our Legacy Of Success

**Agarwal Group:** The renowned Agarwal group, having its headquarter at Indore, was established in 1966 under the strong vision and able leadership of Group Chairman Shri Purushottam Agarwal, Shri Vinod Kumar Agarwal actively joined the group in his teens, in the year 1980. He was instrumental in widening the business spectrum of the group. Shri Sanjay Kumar Agarwal entered into the fray in the year 1985.

The Agarwal Group started growing by leaps and bounds what we see today is a business empire built on the strong foundation of ethical and business values combined with the trust and commitment of strong employee base of the Agarwal group. In a short span of just 40 years, the group has diversified into various activities like education, manufacturing, transportation, entertainment, non-conventional energy generation, food-processing, finance and real estate. It is a matter of great pride and privilege to say that the Agarwal group is one of the largest importers of coal in India.

The group has recently forayed into the non-conventional energy generation sector by setting up wind powered electric generators. The group has a long and illustrious history in the field of education. The Agarwal Public School and the Chameli Devi Public School are shining examples of excellence in elementary education.

## About CDGI

**Agarwal Group**, laid the foundations of CDGI in 2006 when there was a need to have a high class technical institute that is committed towards technological excellence. The ideology behind setting up CDGI was to create technocrats that would add value to society by their innovations and creations. Also, the institute aims at contributing towards nation building by imparting education with a flair of Indian ethics and values to the youth.

Spread over a land of 15 acres, the campus of CDGI signifies poise and grandeur. The state of the art impressive infrastructure is located amidst the lush green lawns at Khandwa road. The aesthetically built, impressive institute infrastructure has a spacious built-up area. During the past decade CDGI has earned a reputation that stands tall and high amidst major technical institutes in Madhya Pradesh.

Thriving on virtues of discipline, sincerity, regularity and academic excellence, this institute proudly fosters a true learning environment perfectly blended for young budding technocrats.

### USP of CDGI:

1. Campus Discipline
2. Academic Excellence
3. State-of-the-Art Infrastructure
4. Excellent Placements
5. Industry-Institute Interface
6. Three-Tier Teaching Approach
7. Vocational Courses

(To Make Students Industry Ready – Highly Employable)

## A Decade of Excellence in Education

# Creating Synergy

## Mentoring System

A student's mind is full of questions and doubts regarding academic as well as non academic matters. In order to answer these questions, CDGI has successfully implemented the mentoring system. Mentoring is a one to one interaction of a student with his/her mentor where a student is able to open up and have a fair discussion without hesitation. This initiative by CDGI has helped students enormously.

## Technology at its best

To keep itself in pace with the ever changing technological world around, CDGI is utilizing the latest technologies to upgrade its academic and administrative systems. CA. Pramod Shrivastava, CFO of AAEL and Co-ordinator of CDGI has played a pivotal role in making the campus techno savvy. Some features are

An online portal– with Key Facilities like:

- Public Notice, Messages, Group discussion, Chatting and Students' Feedback.
- Parents can get their wards' current attendance and results instantly by texting, CDGI ATT or CDGI RES to 56767500

## Publications

### News Letter

SAMVAAD is a quarterly newsletter of CDGI. Details of the events held during each quarter, contributions from parents, students and staff members, upcoming events, placement scenario and students' achievements are included in SAMVAAD. The newsletter is for internal circulation amongst all the members of the board of governors, parents of the students of CDGI and staff members.

### Magazine

SPANDAN is the annual college magazine that provides a platform to the students and staff of CDGI to portray their creative talent. It is a roadway for creation of their visual style so that it can be unique yet identifiable. The college magazine provides the right platform for expressing the thoughts of its students and staff.

## Clubs...

The Literary Club, established in CDIPS aims at nurturing love for books in students, and promoting literary activities amongst them. The wide spectrum of literary activities undertaken by the Literary Club includes discussion on books, interaction with authors, review writing competitions, literary quizzes, visits to book fairs and libraries, screening of films based on best selling books etc. Top selling books on various topics are recommended to the club members which they can enjoy reading in their leisure time.

Culture is the arts elevated to a set of beliefs- *Thomas Wolfe*

Education cannot happen just at school or college- it must go beyond the walls of classrooms. Keeping this background in mind CDIPS has established a cultural club "Abhivyakti" where students come across a host of activities like singing competition, dancing, skit, one minute activities, rangoli competition, face painting etc.

Sports play a pivotal role in the making of a young student. Forum like Sports Club help in molding, and developing qualities of sportsmanship in students. With this thought in mind CDIPS has established a sports club where students unleash their sporting talents. Various sport events like Cricket, Football, Table Tennis, and Badminton are held as a part of curriculum.

Chameli Devi Institute of Professional Studies (CDIPS) takes care to identify the talented Commerce students, enhance their competitive level and encourage them to excel and do well in commerce stream at school level. CDIPS Commerce Olympiad is jointly organized by 'Association of Commerce Teachers (ACT)', Indore and 'Commerce Teacher Association (CTA)', New Delhi where in almost 3000 Commerce students of more than 50 schools across Indore city participated to win total cash prizes of more than Rs. 1 lakh.

## Events & Activities...

### **Vagmita" Partnering in Presentation:**

Communication plays a pivotal role in the development of a student. "Vagmita" is an effort done in the direction of improving the communication skills of a student. Under this event the student gets a chance to give presentations on various topics and thus helps to eradicate stage fear.

### **EVA- Extra Value Addition :**

It is an intra-collegiate fest organized for students of CDIPS. It is a fest which stimulates the desire of students to grab opportunities, brave hardship, explore underlying capabilities, energy, versatility, and aptitude and emerge a winner. Events like One minute games, Show your Talent, Singing Competition, Dancing Competition, Dumb Sheraz are organized. Also, students get a platform to showcase their talent in the areas of singing and dancing.

### **Annual Fest "Freude"**

The annual fest is the most awaited event for the students. It is a program that has the perfect blend of sports and extracurricular activities. Students participate with full enthusiasm and shoulder the responsibility of the entire event. The motto of the event is to enhance the managerial skills among the students.

### **Citronics**

Citronics is a showcase of co-curricular and extracurricular activities. This event is a platform for budding managers to show their talent and improve the skills through various events like Business Plan Competition, Ad Mad Show, Documentary Show and Brain Ticklers (Management Quiz) etc.

### **NEN Activity**

CDGI's NEN cell organizes NEN activities. NEN is a foundation that encourages entrepreneurial skills amongst the student. Under this cell various activities that promote entrepreneurial skills are conducted round the year. The event is well received and appreciated by the students' community.
