

Institute wise WDC Work-Plan, 2019

CDGI, CDIPS and CDIP

1. **Documentary making competition** on the topic “Journey of a girl child. From darkness to light.....”
 - The aim of this competition is to ignite minds of the students towards how a girl child begins and lives her journey.
 - There could be various perspectives to how a student perceives this journey to be.
 - The student group would be required to make the documentary inhouse and then explain it to the panel of judges.
 - Students from CDGI, CDIPS and CDIP would participate in the activity.
 - The activity is scheduled in the month of July.
2. **Awareness of Cyber Security and issues related to it** a guest lecture on the topic would be organized.
 - The aim of the guest lecture would be to make the girl students aware of the prevalent cyber crimes and the preventive measures.
 - The students would be made aware of the do's and don'ts related to social media its positive and negative impact.
 - The activity is scheduled in the month of August.
3. **Debate competition on “Status of Women inside and outside Family”** would be organized
 - The debate competition would be organized with an aim to sensitize the students about the prevalent burning issues in the life of a women inside or outside family.
 - Students from CDGI, CDIP and CDIPS would be participating in the competition.
 - This competition would bring to surface the thought process of the young generation towards how the issues related to women can be solved or at least addressed.
 - This activity is scheduled in the month of September.
4. **Training on “Self Defence”** would be organized
 - A workshop on self defense would be organized for the girl students of the colleges.
 - The aim of the workshop would be to make the girls trained in self protection in case of emergencies.
 - Students from CDGI, CDIP and CDIPS would be participating in the training.
 - This activity is scheduled in the month of October.

5. **Nukkad Natak Competition on “ Women of Today”** would be organized
- The aim of the competition is to give the students a platform to showcase their talent of dramatics along with making them aware of the status of women today.
 - There are very different scenarios related to women that prevail in society. The idea is to make the students think about how these could be showcased in a thought provoking way in front of the audiences.
 - Students from CDGI, CDIP and CDIPS would be participating in the activity.
 - This activity is scheduled in the month of November.
